Considerations for the week

How much do you trust God? Can you be close to God without trusting Him?

Can you imagine a closeness with Christ that would give you rest in Him in every situation? Do you desire this? Do you live as though you desire it?

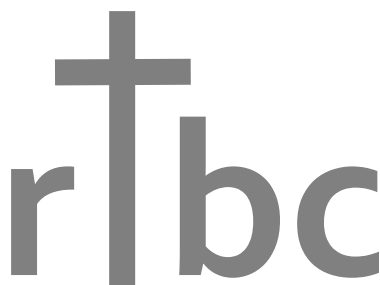

Is your happiness dependent on daily circumstances?

Do you value a happiness that can pass away?

Is your faith in God and His promises, or in something else?

Is your faith tempered by feelings that your faith is weak? Does it help to recognize that faith is, ultimately, one's trust in God – and that God is trustworthy?

Please use these considerations for personal reflection, small group discussions, and with friends and family.

**Immediately the boy's father cried out,
"I do believe; help my unbelief!"**
